MAY 2025

As we step into May, we're greeted with warmer days, blooming flowers and the joy of spring all around us. With the weather improving, we are excited to embrace the season by planning a variety of indoor and outdoor activities that will keep our children engaged, active and learning through play.

Reminder :
Please send a Sunscreen ,
Sunhat, insect repellent and
extra pair of clothes in your child
backpack

CLOSURE DATES :
Monday , May 19th
VICTORIA DAY

Nursery

In the Nursery Room, we have a variety of engaging activities planned, including Push & Pull, Music & Movement, Stack & Build, and Water Play. These hands-on experiences are designed to stimulate the senses and support the development of fine motor skills, coordination, and early problem-solving. Additionally, the children will explore their creativity through finger painting, allowing them to express themselves freely while developing sensory awareness and fine motor control.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
4	5 Push & Pull Toys	6	7	8	9 Stack and Build	10
11	12	13	14 Music & Movements	15	16	17
18	19	20 Finger Painting	21	22	23	24
25	26	27	28 Water Play	29	30	31 

May 2025

Toddler

This month , the toddlers enjoyed a wonderful blend of indoor and outdoor fun through a variety of educational activities . These experiences not only engage their curiosity but also supported their learning goals ,and foundational skill development. The focus on coming month is shifting towards sensory play and more developmentally appropriate activities.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
4	5	6	7 Stack and Build	8	9 Mothers Day Craft	10
11	12	13	14	15 Leaf Art	16	17
18	19	20 Find The Letters	21	22	23	24
25	26	27	28 Callum Birthday	29 Milk Magic Experiment	30	31

In preschool, children engage in a variety of activities to promote growth in key areas, including motor skills, cognitive skills, language development and social interaction. In the coming month, we are excited to place an emphasis on sensory based activities as it is a powerful tool for preschool learning

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
